Clay Hill Singers are on a break for the Summer

+++++

Only a few of you have volunteered to read the scripture or say the prayers during our Sunday services. Thank you to those who have.

Please consider whether you would occasionally like to read one of the Scripture passages at church on Sunday mornings.

All the readings are available well in advance.

We are going to trial a new way of putting the rota together using an online sign-up form so you can choose the weeks that you want to read.

Please send your names to

mthr.mitzi@clayhillparish.org

If you are interested in saying the prayers but would like some advice, or someone to read through what you have written, then please do speak to a member of the clergy or any one of your church family who already say the prayers.

We were all new at this once!
